

St. Luke's Newsletter No. 17, Friday 20th January 2017

Message from Mrs Proietti

Another busy week has flown by at St Luke's which has been topped off by a phenomenal Year 2 assembly. It is always an absolute pleasure to hear the children talking about their learning and showing off their new skills. Year 2 pupils also sang about their learning; showed off their Science experiments; demonstrated some PE skills; wowed us with Maths, sentence structure and language; and taught us tons of History. Well done Year 2! For any year 2 parents who couldn't attend, Ms Murray and her team have recorded the assembly if you would like to see it.

Year 4 children have now had their second wet and wild forest school session and have been enjoying learning in the outdoor environment. Despite the best attempts of our weather to put a dampener on things, they have all come back talking about how much they are enjoying their sessions and the opportunity to practise and learn new skills, and develop team work and writing and practical skills. Well done year 4!

Thanks to everyone who contributed towards the pantomime yesterday. The children had an absolute blast! Sounds of laughter were erupting from the hall and the children came away amused, enthused and excited.

Just a brief reminder that parent consultations are fast approaching; please return the slips to school as soon as possible so we can allocate and send out the appointments. It is such a valuable chance to touch base about your child's learning and we encourage you all to come along.

Attendance

Attendance has dipped slightly this week and now stands at 95.44% (our target for the academic year is 96%).
